This collection of 12 popular songs for the beginning band is correlated to the Belwin 21st Century Band Method, Levels 1 and 2, but it can also be used with any other recognized beginning band method. Each selection is presented in two ways: The solo arrangement is written so that it can be played as a solo, unison (octaves) ensemble, or full unison band with piano accompaniment or CD accompaniment. The snare and bass drummers play a rhythmical accompaniment part. The piano accompaniment in this arrangement is not essential, as the selections can be performed without it.
